Hands of Friendship Working  
Together to Build Membership

---

Iowa Daughters,

Report time is here. The Registrar Report, Chapter Achievement and Master Questionnaire were to be reported by February 1st. Now the State Officers, Chapter Regents and State Committee Chairmen Reports are due April 1st. Each chapter regent is to present an annual report on the activities and accomplishments of her chapter at State Conference. Three copies of the complete report are required: one for the State Regent for use in compiling her report for Continental Congress, the second for the State Recording Secretary, Candace Kamp, for publication in the Proceedings Book and a third copy for the Chapter's records. No report is to be over two minutes when given at Conference. The written report can be longer but condense the report to two minutes for Conference. If the Chapter Regent is unable to attend Conference, the Vice Regent of the chapter can read the report. Reports will be filed for State Chairmen not present. State Committee Chairmen can see the chapter chairmen information on e-membership under MQ to compile their report. The chapters did an excellent job in completing the MQ on time. Chairmen who wish to give certificates should contact State Regent Barbara Halpin and Corresponding Secretary, Mindy Beekman, or make your own on the computer using card stock.

Junior members are an important part of our membership. Encourage your Junior members to attend the Iowa State Conference and experience the joy of paging at a state meeting. Pages do not pay the registration fee for Conference. Anyone interested in paging or who has a granddaughter who would like to page, contact the state regent or Page Chairman Mary Petersen.

This officer visited the Jean Marie Cardinell Chapter in December and enjoyed a lovely potluck luncheon served by the members. On a very nice day in January this officer traveled to the Spinning Wheel Chapter and enjoyed a very tasty soup and sandwich luncheon. Visiting chapters and meeting the members is the most enjoyable part of this office. I am looking forward to visiting more chapters in the future. Contact this officer to arrange a visit.

This officer attended the National Board of Management Meeting in DC February 2nd. New member applications verified were 2, 210 bringing the DAR membership to 175,029. The goal set for the Wright administration was to attain 175,000 members. The National Board toured the Basilica of the National Shrine of Immaculate Conception Saturday evening. We then had dinner at the historic DACOR Bacon House built in 1824-1825, which was the home of many of the early Supreme Court justices while they were serving in Washington.

The State Regent's project donations have reached the half way mark. Chapters are to be commended for their dedication to this project and it is greatly appreciated. Plans are to have the lay lights back in place for Continental Congress.

Members will find the Conference Call in this Newsletter and are encouraged to attend the two day event in Ames, Iowa. Conference is for reporting chapter activities and rewarding members that serve the society.

## **Do I really need to document the spouse on an application?**

**.....Yes, you do!**

DAR requires that we complete the first four generations with good record documentation. Do not forget, we are building a genealogical record and some day someone might want to use that other genealogical line. This means you use birth and death records - NOT a printed copy of the social security death record that was on-line. That record does not connect the person to their parents. An obit is all right if you absolutely cannot find a better source. The birth record must show the parents' names, so be sure to ask for a complete birth record when ordering it. When typing up the papers, please, please check to see if you have all of the signatures. Remember that two members of your chapter must sign the paper at the bottom of the first page. If either the Regent or Registrar is not available, either the Treasurer, Recording Secretary or 1st Vice Regent may sign instead indicating her chapter office behind her signature.

## **REMINDER.....Chapter donations to State Historical Society in Iowa City**

**This is to answer and address some questions that have been emailed to me and/or came up during district tour. As liaison to the State Historical Society in Iowa City (SHSI) one of my duties is to assist chapters that may wish to deposit/donate some of their older chapter materials to the SHSI. Keep in mind, once deposited/donated, they will no longer belong to the state or chapter, the SHSI is not 'storing' them. It is very important to keep in mind that once items are donated they are the property of the SHSI! I did verify with SHSI however, that if a chapter has items in the SHSI collection they could be borrowed perhaps for a chapter anniversary celebration etc. This would be possible but it would have a very brief restricted time frame.**

**When I served as Iowa State Historian from 2008-2010 I provided each chapter with a copy of the "Letter of Agreement" and Deed of Gift that was established during State Regent Michelle Mott Juehring's term 2002-2004. I believe it was during Iowa State Conference 2009. The "Letter of Agreement" is detailed with guidelines of what records are to be submitted and their availability for review. Please check your Chapter Regent handbooks for a copy of this form. If you cannot find it please let me know and I will provide you with another copy at the Iowa State DAR Conference in April. If you would need one before then, just let me know and I will send it to you. It is recommended that Executive board meeting minutes not be part of any donation whether it is the SHSI or some other repository.**

**If items are donated by an active chapter the "Deed of Gift" form must be signed by the Chapter Regent and Chapter Historian. You may also check the Historian General's 'forms' Records Management Recommendations" for more guidelines regarding storage of chapter materials other than the SHSI on the NSDAR Members Website. This information was included in the packet each chapter received in 2009, and again I will provide anyone with a copy of this information if they need it. Thanks for your attention to this reminder.**

### Pens, Umbrellas, Notecards and Jewelry... OH My!

The Junior Sales table, benefitting the Helen Pouch Memorial Fund (HPMF) will be fully stocked at State Conference and ready for your shopping needs! You will find a wonderful array of Patriotic and DAR themed items. Voices will also be offered for a lovely crystal and pearl Eagle Pin designed by Aspen which has been donated. The drawing for the Eagle pin will be held on Saturday at the Iowa State Conference. Treat yourself to some wonderful items and support the HPMF and the Iowa Juniors at the same time!

### PROTOCOL POINTS

*As State Conference approaches, perhaps some helpful hints on proper protocol during State Conference would be appropriate.*

**ATTIRE:** The daytime dress is generally business: a dress, suit or pantsuit. Dress slacks and a coordinating jacket are acceptable. Evening wear is more formal such as a longer or tea length dress. A daytime dress (such as for church) is also acceptable unless you are a state officer. Wearing gloves (white) in processions and receiving lines is at the discretion of the State Regent. It is good to be prepared.

**PROCESSIONALS:** Remember to stand as the ladies enter. This is to honor their service to our Society. The State Regent is the last one entering the room and the first one out. All stand at the end of the session and remain standing in place until the head table is cleared.

**COURTESY RECOGNITION:** Members should rise whenever the State Regent is presented or introduced. This is not to honor the person, but is a deserved courtesy in recognition and tribute to her high office and sash.

**BUSINESS SESSIONS:** Remember to address the chair and ONLY THE CHAIR, each time you stand to speak: "Madam State Regent." When your chapter regent gives her report, the chapter delegation should rise briefly to show your support and pride on your chapter's activities for the preceding year. The assembly should stand for the Invocation and remain standing through the Opening. The assembly should also stand during the reading of the President General's message to the Conference.

**MEMORIAL SERVICE:** During the Memorial Service, it is a symbol of respect to stand as your deceased chapter members' names are called.

**STANDING RULES:** Please read and follow the Standing Rules that are found in the Program.

**Our rich history of respect for our country, our organization and for each other makes these "reminders" more than hints. Enjoy yourself at Conference and the fellowship and hands of friendship extended to you by those members and guests attending. The most important tool for members to use to insure correct protocol is the booklet Official Procedure and Protocol found at [members.dar.org/committees/protocol](http://members.dar.org/committees/protocol).**

Nola Gottschalk, Protocol Chairman

## OOH-LA-LA!

As a special Iowa-based fundraising effort, the Iowa Juniors have chosen to honor Mrs. Yvonne Boone for her support and love of Junior membership. Please be sure to visit the Juniors sales and Shoppe tables at State Conference for special Parisian themed items, all lovingly found by the Juniors. The proceeds from the sale of items at the OOH-LA-LA table will be used to fund paper, school supplies and other needs for Mrs. Boone's mathematics classroom at KDS. Please help us provide a 'boon' of supplies to this very deserving classroom (and please pardon the pun).

### From DAR Good Citizen Iowa State Chairman.... Suzanne Kisner to YOU !

I would like to express my gratitude to the many who assisted me with the DAR Good Citizen Committee this past year. It was a pleasure to work with my four DAR Good Citizen Vice Chairmen. They are NE District Carol Pierce, NW District Mary Stille, SE District Sabrina Alberhasky, and SW District Marjorie Kinkade.

I would also like to thank the Chapter Regents, the DAR Good Citizen Chapter Chairmen, our Iowa State Regent Barbara Halpin and the former Iowa DAR Good Citizen State Chairman Pam Marvin who, without her input, I would have been lost.

It has been a challenge and a learning experience for me as Iowa DAR Good Citizen State Chairman and I am looking forward to announcing our four district winners and Iowa state winner at the Iowa Society DAR State Conference in April!

## ISDAR STATE REGENT'S PROJECT:

Thank you for your continued support for our State Regent's Project of contributing to the restoration of 1/2 of a Lay Light located in ceiling of the NSDAR Library and the restoration of twelve sconces located in the NSDAR Genealogy Room. The State Regent's beautiful items will be displayed on her personal table at the 114th Iowa Society State Conference in Ames.

How can each of us contribute to this memorable project? Monetary donations may be payable by your chapter or by individual members (through their chapter) to ISDAR and mailed to the Iowa Society Treasurer Linda Hopkins. At Iowa State Conference, members/chapters can bring items to add to the State Regent's table. This table will be located in the back corner of the conference room and will be chaired by Linda Hatch, State Regent's Project Vice-Chair.

Remember to stop by both the State Regent's special project table and the State Regent's table.

## THE IOWA ROOM: OUR CORNER IN WASHINGTON, D.C.

It's tea time and the daughter of the household mimics her mother, as she presides at a child-sized table to entertain her charming guest at tea. The Queen Anne doll, given to the Iowa Room in 1972 by Mrs. Blanche Baldrige of the now disbanded Mary Knight Chapter, Strawberry Point, was made in England circa 1700-1750. The doll's head and torso are one piece; she is jointed at hips and knees. Body and head have a coat of gesso, with chest and head then painted. The eyes are of enameled glass with other facial features painted; curled hair wig is brown, covered with a lace cap. Arms are strings which terminate in whittled lower arms and hands. This elegant lady is beautifully dressed in the style of the day down to her undergarments, although records indicate she was "recostumed authentically" in 1975 through the Iowa Room Fund. However, the stockings and shoes are thought to be original. The circa 1820 painted chair, child's table and tea set are loaned from the New Hampshire Attic, an attic playroom furnished with dolls and toys from the late 18th through the early 20th century.

The name of this lovely doll has been lost to history. Do you have a suggestion? Do you have a question pertaining to the Iowa Room and/or its contents? Please contact me via email at [sallygwtw37@gmail.com](mailto:sallygwtw37@gmail.com). A virtual tour of the DAR Museum Period Rooms is available at [www.dar.org/museum/room\\_tour](http://www.dar.org/museum/room_tour).

**Womens Issues Committee Quiz for you.....**

**Tiffany Hauptman, Iowa State Chairman**

Although women often think of heart attacks as something that affects mainly men, heart disease is the number one killer of women. Every 90 seconds, a woman in the United States has a heart attack.

**Test your knowledge about heart attack in women:**

1. True or False – If you feel a heart attack symptom, you should immediately drive yourself to the hospital.
2. True or False – Nausea is a symptom of a heart attack.
3. True or False – All women who have heart attacks experience chest pain.
4. True or False – Heart attacks are the leading cause of death for women in the United States.
5. True or False – Men tend to do worse after a heart attack than women.
6. True or False – Heart disease isn't something women need to worry seriously about until they're past 50 years old.
7. True or False – Unusual or unexplained fatigue is a symptom of a heart attack.
8. True or False – The symptoms of a second heart attack can be different from the ones you had during your first heart attack.
9. True or False – A heart attack doesn't start doing damage until a few hours after the onset of symptoms.
10. True or False – You can get in trouble with the hospital if your symptoms turn out not to be a heart attack.

*(See following page for answers to these important questions)*

## Womens Issues Quiz Answers for YOU!

### Answers:

- 1-False:** The time it takes you to drive to the hospital can be the difference between life and death. Always call 9-1-1, and put your life in the hands of trained medical professionals.
- 2-True:** Women are twice as likely as men to experience nausea, vomiting, or indigestion during a heart attack.
- 3-False:** While chest pain is the most common symptom of a heart attack, each woman's symptoms present themselves differently. That's why it's important to know them all.
- 4-True:** Every 90 seconds, a woman in the United States has a heart attack.
- 5-False:** Women having a heart attack wait longer before seeking help than men do...just one of the reasons women tend to do worse after a heart attack than men.
- 6-False:** More than 10,000 women younger than 45 have a heart attack every year.
- 7-True:** Sudden and unusual tiredness or lack of energy is one of the most common symptoms of heart attack in women.
- 8-True:** Heart attack symptoms can present themselves differently each time, even within the same woman.
- 9-False:** Every 30 minutes you wait to get help during a heart attack can take one year off your life!
- 10-False:** There's no harm in a false alarm. Medical professionals would much rather see a woman err on the side of caution than die because she didn't call 9-1-1.

Hi, Iowa Daughters!

It's time to think ahead to beautiful flowers, tasty veggies, and home-grown melons and other goodies from our own gardens. Please take note of the various reports which indicate that the state is in trouble as far as adequate moisture. You may be asked to curtail water use if it gets serious enough. Perhaps it's time to think ahead to a rain barrel and other ways to conserve on water usage!

On another note, we visited Backbone State Park and took a picture of the marker for the DAR forest there. My grandfather worked in the Conservation Corps as a stone cutter and helped build some of the arched bridges at Backbone. I bet he helped plant some of the trees in the DAR forest there, too. At any rate, I thought you might like to see the marker.

Have a wonderful spring and see you at State Conference in April!

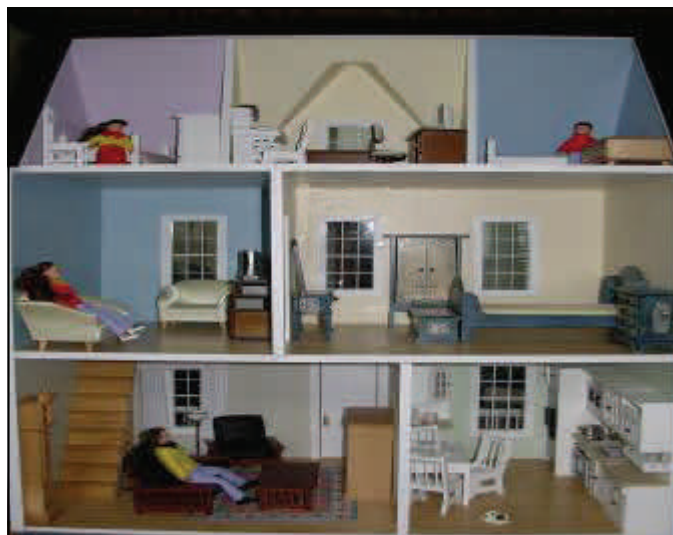

Nancy Grindle  
Conservation State Chairman

During each Iowa Society's State Regent's term, our State Regent chooses a project that unites each of the Iowa Daughters together towards a purpose reflected in our National Society's objectives of Historic Preservation, Education, and Patriotism. State Regent Barbara Halpin has chosen as her project, with the consent of the Iowa Daughters at our August BOM meeting, to contribute to the restoration of 1/2 of a Lay Light located in ceiling of the NSDAR Library, and the restoration of twelve sconces located in the NSDAR Genealogy Room. Our Iowa chapters and members can contribute to the State Regent's project by sending donations through your chapter (checks payable to ISDAR) and by donating towards voices for the items on the State Regent's tables. You can learn more about the important Lay Light restoration project at the following web site: [http://www.dar.org/giving\\_site/lay\\_lights\\_webinar.cfm](http://www.dar.org/giving_site/lay_lights_webinar.cfm)

*Thanks to all the Chapters and Daughters for your diligent work in submitting to me your list of historical chapter markers, dedications of historic sites and dedications of markers to deceased members. With better weather approaching spring can be the ideal time to inspect your historical markers to make sure they are in good condition, particularly older markers. Please remember that funeral leaflets and obituaries of deceased members need to be submitted to Peg Wilkinson, Iowa State Chaplain.*
