## Shopping at State Conference...

State Conference offers the chance to support the State Regent's Project. Erecting a monument at the National Veterans cemetery in Van Meter, to "perpetuate the memory of (Revolutionary War) Soldiers and Patriots buried in Iowa" can only happen with your help.

State Vice Marsha Hucke has been gathering up items donated by members across the state. These will be on view at State Conference. Buying voices for those you admire may result in a surprise to take home from the conference. Larger items like the

handmade red, white & blue afghan and the Dresden plate quilt, will be drawn at the end of this State Regent's term. We also have 3 Longaberger baskets on silent auction and set of silver spoons; glassware; totes of all sizes, and so much more.

Other items are there, for the sharp buyer. Minimal cost keeps us all in participation of this effort. The ISDAR pen-stylus is \$2. A red ISDAR grocery tote is \$5, as is the white "right side" ribbon to hold your "extra" pins. The glam offering is the Rose pin, silver color with a pearl, for a \$10 donation. Wear one proudly to show your support.

We have items that would be great gifts to that special friend or family member for a birthday or a special occasion. The 'voices' are calling your name so come and SHOP AND SHOP TILL YOU DROP!!!

Do plan to visit the State Regent Project tables at State Conference. Help build the DAR monument for the National Veterans Cemetery.

## Service Projects at Hannah Lee

Hannah Lee Chapter worked on several service projects at their December 3rd meeting in West Union.

Throughout the year, members have been making quilted Christmas stockings. At the meeting these were filled with various stocking stuffer items and will be distributed to veterans in several care centers across northeast Iowa. Sixty-six veterans at nine facilities will receive these stockings along with DAR member's thanks

for their service to our country.

Members also packed several boxes of items to be sent to active duty military personnel serving in Afghanistan and Kuwait. These will go to service men whose names have been brought forward by members of the chapter and will include enough contents to share with their unit members.

Again this year Hannah Lee Chapter has chosen to sponsor a family in need at Christmas time through Helping Services of Northeast Iowa. Items have been selected and were packed at the meeting.

Forty Christmas cards for members who live away from the area or were not able to attend the meeting were signed by those in attendance and readied for mailing.

Several members of Hannah Lee Chapter were recognized for milestone years of membership. Mary Anne Iliff was awarded a certificate for 50 years of membership. Others with fifty years of membership are JoAnn Carlson of Ankeny, LaFonda Meyer of Fayette, and Diane Yarcho of Shellrock. Genevieve Baker of Tuscon, AZ has 40 years membership. Thirty-year members are Frances Burns and Angie Reynolds both of Decorah. Certificates for these women will be mailed or presented at a future meeting.

## Hannah Lee Chapter Announces Winner in History Essay Contest

Alex McGohan winner of the 2017 Hannah Lee Chapter DAR American History Essay Contest is the recipient of a certificate and badge from Hannah Lee

Chapter American History Chairman Sarah Nowack. A 5<sup>th</sup> grade student at Decorah Middle School, McGohan is the son of Greg and LaDonna McGohan. McGohan's essay moves on to state competition.

Decorah Middle students participate in Hannah Lee Chapter DAR American History Essay Contest. From left: Contest winner advancing to state competition is Alex

McGohan, Hannah Lee Chapter American History Chairman Sarah Nowack, Grace Robinson's essay is advancing to state from 7<sup>th</sup> grade, Danielle Rix and Ki Vine were also participants in the essay contest.

Hannah Lee Chapter recently recognized students who participated in the local level of DAR's American History Essay Contest. Winner of the contest was Alex McGohan, Decorah Middle School 5<sup>th</sup> grade student and son of Greg and LaDonna McGohan. McGohan's essay will advance to state DAR competition. Grace Robinson's essay was selected for the state completion at the 7<sup>th</sup> grade level. She is the daughter of Brett and Jennaya Robinson. Other students submitting essays were Danielle Rix and Ki Vine.

The contest theme selected by the DAR this year was "Celebrating a Century: America's National Parks". Essays included why and when a particular national park was established and what makes it a national treasure. Hannah Lee Chapter sponsored the contest at Decorah Middle School. Winners move on to state competition, may advance to divisional and finally to national competition. National winners will be recognized at the DAR Continental Congress held in Washington, DC June 28 - July 2, 2017.

Hannah Lee Chapter member Sarah Nowack, a Decorah Middle School teacher serves as the chapter American History Chairman and coordinates this event. She presented certificates to the participants in addition to a medal for winner, Alex McGohan.

**Celebrating 50 Years of Service...**

Hannah Lee Chapter Regent Rebecca McCabe of Cresco presents Mary Anne Iliff of West Union with a certificate noting her 50 years of DAR membership.

**Veterans and Christmas Stockings**

As in years past Hannah Lee Chapter made many quilted Christmas stocking during 2016. Their final project with the stockings took place in mid-December. DAR members visited care centers and assisted living facilities across northeast Iowa and delivered the stockings stuffed with interesting items for the veterans.

Stockings were delivered to veterans at three care centers in Oelwein by Virginia Larimer and prospective member Mindy Rhode. Rebecca McCabe and Wendy Novak visited veterans at two locations in Decorah. In Lansing, Mona Day distributed stockings to veterans at Thornton Manor Nursing Home. Veterans at three centers in West Union were visited by Mary Anne Iliff. Stockings were given out to more than 65 veterans.

At some locations, stockings were left with a staff member and were distributed to veterans from there. At others, a staffer took Hannah Lee members around to individual rooms so the stockings could be given out personally. The veterans were pleased

to have company, receive a gift and to talk with chapter members and even reminisce some about their military experience. Members found this very rewarding. However the stockings were given, veterans were very appreciative, as

shown through thank you messages from the centers or expressions of thanks that got back to Hannah Lee by word of month.

Hannah Lee Chapter member Virginia Larimer (center) and prospective member Mindy Rhode visit with Clifford Schlumbohm at Oelwein Health Care Center. They delivered one of Hannah Lee's special quilted Christmas stockings to him. Schlumbohm was surprised to receive the visit and the stocking full of goodies and shared about his time in the service.

**News From the Cedar Falls Chapter**

In January, the Cedar Falls Chapter was proud to present Good Citizen Awards to area students. There were a total of eight high school seniors who qualified for this prestigious award and four of them were able to take time from their busy schedules to join us. The winner from our chapter, Jocelyn Roof, read her essay to the group. She attends Waterloo West High School. The committee chairperson for the Good Citizen Awards is Barbara Gregersen, our chapter vice-regent.

Our February meeting was very special because we were able to present a Community Service Award to a member of our community. Kim Burger Manning lives in Cedar

Falls and is manager for the Cedar Falls Tourism and Visitors Bureau. She volunteers for many community boards and committees in the Cedar Valley. In our chapter, Sue Soenen and Eleanor Vanous, are on The Community Service Committee and did a fantastic job on this

**Spinning Wheel Chapter**

The Spinning Wheel Chapter in Marshalltown hosted a Presidents Day party Saturday, February 18, in Malloy Hall at the Iowa Veterans Home. Residents were treated to root beer floats and music provided by guitarist Dave Gray, from State Center, shown on the Malloy stage.

### Hannah Caldwell Chapter Celebrates 120th Anniversary

The Hannah Caldwell Chapter, of Davenport, celebrated its 120<sup>th</sup> anniversary on January 14, 2017. The Chapter was organized on January 18, 1897. It was the 9<sup>th</sup> Chapter in Iowa and the 310<sup>th</sup> National Chapter.

Our Chapter was named after Hannah Caldwell, one of two women killed by the British during the Revolutionary War. Hannah was the great-grandmother of Mary Duncan Putnam, one of the founding members of our Chapter.

The members gathered in a festively decorated room, with a celebratory cake and a Chapter history handout. Historian Books, Chapter booklets, pictures, documents, flags, placards, 1902 gavel, and other memorabilia were on display. Mrs. Nola Gottschalk (past Chapter Regent, past Iowa State Regent, and past Vice President General) presented a program about the life and times of Mary Duncan Putnam. Mrs. Putnam was Iowa's founding mother and the first State Regent.

Today, the Hannah Caldwell Chapter continues its rich tradition of dedication to patriotism, education, historic preservation, and "Service to America!"

### Hannah Caldwell Chapter Dedicates DAR Grave Marker for Patriot's Daughter

The Hannah Caldwell Chapter, of Davenport, sponsored the DAR marker on Ruth Kingsley Hitchcock's gravesite at Mountain View Cemetery in Bloomfield, Connecticut.

Ruth (1781-1865) was the daughter of Revolutionary War Soldier Pvt. Elijah Kingsley of the Massachusetts Militia and the 4<sup>th</sup> great-grandmother of Iowa Daughters Elise James and Barbara Gregersen. The picture shows Elise James (left), Vice Regent of the Hannah Caldwell Chapter and her sister, Barbara

Gregersen, Vice Regent of the Cedar Falls Chapter at the site during the dedication ceremony.

The Abigail Phelps Chapter of Simsbury, Connecticut performed the dedication program on September 29, 2016.

### Buena Vista Chapter Honors Forty Year Member On 100<sup>th</sup> Birthday

Marjorie Miller was honored on Wednesday, January 18, 2017, by Buena Vista Chapter, DAR, for her 100<sup>th</sup> birthday. The gathering was held in the Solarium at Methodist Manor.

The group had fun reminiscing about the many activities Marjorie was a part of during her 40 years membership in the local DAR chapter. She was first elected Regent in 1982 and served in that capacity a number of times, the most recent being a term in 2000 to 2002. Marjorie held a number of offices at the local and district level, as well as a state committee chairmanship. She enjoyed the State Conferences, especially the banquets with the chance to wear formal gowns.

And her favorite memory was attending Continental Congress at Constitutional Hall in Washington, DC. Marjorie was also honored with a card shower by state officers and members who were unable to attend.

### Sun Dial Chapter

Michelle Ankrum of Marshalltown received the NSDAR Good Citizen Award on Saturday, February 11<sup>th</sup> at the Patriots Coffee during the Sun Dial Chapter meeting in Ames.

Michelle is President of the Deborah Sampson CAR chapter in Ames. She is also First Vice President of the State Society. She has just become a new Junior member of the Spinning Wheel Chapter in Marshalltown.

### Abigail Adams Chapter Purchases Books For School Library

Renee Brandow, Chapter Librarian and librarian of Moulton Elementary School, shows the treasure trove of books purchased by chapter donations for Literacy. Renee is also ISDAR Community Classroom Chairman.

Our adoption of the Moulton Elementary School Library was launched with a Literacy fund drive. Chapter Librarian Renee Brandow is also the librarian at Moulton Elementary. In the years she's held that job, there has been no budget for books.

Lead by Literacy Chairman Nancy Mitchell, members donated over \$420.00. Members scooped up hand-knit washcloths Nancy made – many with DAR emblazoned on a map of Iowa. Combined with donations submitted with dues, generosity and wise buying made enough for a full series of science/biographies and other titles on the Moulton library "wish list".

This begins a continuing relationship, engaging us in the NDSAR Community Classroom program.

### Abigail's Ladies Taking DAR Mission To Heart

Evidence that members fully embrace the DAR mission, was on full display this winter. Abigail Adams Chapter gathered \$3,365.00 in gifts to support the Des Moines Vet Center.

The Vet Center is a resource for military members adjusting to civilian life. It is a program of the Veterans Administration.

Chapter donations enabled the families of two veterans to celebrate the holidays with plenty.

Applying cash to gift cards for Target and other stores, enabled the veterans to make the best choices for their children.

Gas cards were also provided for Vet Center patrons. The gas cards and a laundry basket full of toiletries will be used to support homeless vets or vets in need, throughout the year.

Many of our ladies put their skills to use, knitting numerous hats and mittens for the 'Sock it to Winter' drive to collect socks, gloves and hats for the homeless.

The Vet Center of Des Moines is one of four such locations in Iowa. Services free to veterans and their families include: Individual and group readjustment counseling; referral for benefits assistance; marital and family counseling; community education; job counseling and referral; bereavement counseling.

### Nancy McKay Harsh Chapter

We have welcomed two new members in the Nancy McKay Harsh Chapter. When new member is installed, she is given a booklet that contains her signed DAR application and copies of all of the proofs she had submitted. She is also presented a DAR pin along with a folder containing the year book, Bylaws, and a past copy of the American spirit magazine. The new members are Kelly Franklin and Ranae Beard.

### Boswell Presents Pearl Harbor Program at Jean Marie Cardinell Chapter

The Jean Marie Cardinell Chapter hosted former Congressman Leonard Boswell to their meeting on December 3<sup>rd</sup>. He was there to speak about the 75<sup>th</sup>

Anniversary of Pearl Harbor but also gave high praise to all that the DAR does to keep these historical and patriotic dates at the forefront. His wife, Dody, also attended with him.

According to Wikipedia, "Boswell spent twenty years in the United States Army. He was first drafted in the Army in 1956 as a private. He later graduated from Artillery Officers Candidate School, eventually rising to the rank of Lieutenant Colonel. During his military career he earned two Distinguished Flying Crosses, two Bronze Stars, the Soldier's Medal, and various other awards and decorations. He served two one-year tours of duty as an assault helicopter pilot in Vietnam. He also served two NATO tours of duty in Europe, first for four years in Germany, and later three years in Portugal. Additionally, he taught at the Army Command and General Staff College."

The Chapter also presented Mr. Boswell with an Operation LZ medal. The Vietnam Commemoration lapel pin was presented earlier.

### 2016 Christmas at the Des Moines VA Hospital

Dedicated Daughters like Jean Marie Cardinell Chapter's VA Representative Judy McNamara continue to serve even on holidays to make sure hospitalized Veterans are not forgotten. On Christmas Day, Judy passed out 38 presents picked out specifically for each Veteran. Her son-in-law played Santa and her daughter was Mrs.

Claus, (Rich & Angie Combs). Thanks to them for sharing on such a special day!

### Wreaths Across America Honoring Veterans

On Saturday, December, 17<sup>th</sup>, 2016, members of the Jean Marie Cardinell Chapter gathered along with other organizations and the public to honor veterans during the holiday season as part of the annual Wreaths Across America Day.

Patrick J. Palmersheim continues to conduct the WAA ceremony; again this year at the Iowa Veterans Cemetery near Van Meter. The nearly 2,800 beautiful green wreaths with red bows add a beautiful contrast to the white marble stones and snow. It needs to be seen to appreciate the beauty of this project. For more information about the Wreath Across America, visit their web site <http://www.wreathscrossamerica.org/>

It was a blistery cold day (15° with wind gusts of 22 mph) so their service was even more appreciated. Thank you to Carol Bowers, Edee Brunia, Judy McNamara, Mike Rowley (SAR) and Evelyn Morgan.

### November 17<sup>th</sup> Vietnam Pinnings

American Legion Post 663 of Urbandale hosted a Vietnam Recognition program as part of their Thanksgiving meeting. Jean Marie Cardinell was on hand to help with the Commemorative lapel pinnings. DAR personalized certificates were prepared for 158 Vietnam Veterans who also received the Presidential Proclamation, bumper sticker and a flag sticker plus a fact sheet explaining the significance of the lapel pin.

Bev Neuroth led the team along with Susan Ohnysty and Madeline Allen. They always have a great connection with the Veterans and are always appreciated.

### Daughters Newsletter

This NSDAR publication comes with American Spirit magazine. Each chapter can have one article per year. Check out the Jan/Feb issue for coverage of Jean Marie Cardinell's 75th Chapter Anniversary (pages 19 & 20).

### 3<sup>rd</sup> Annual Blankets for Veterans

Lots of colorful fabric, lots of help and lots of busy hands made this a very productive meeting for the Jean Marie Cardinell Chapter, NSDAR, on Saturday, February 4th. This is the 3<sup>rd</sup> year the Chapter has tied fleece blankets for the VA Community Resource and Referral Center.

The center is located at 1223 Center St., Suite 17 in downtown Des Moines. The site provides to VA-eligible Veterans free walk-in showers, laundry, internet, phone and full range of services for homeless Veterans. The Veterans often state that they really appreciate the “new” fleece blankets. What could be better? The current officers brought delicious soups, salads, and fruit for a filling lunch.

And what do you do with the scraps of fleece? They were recycled into dog beds and mittens.

*Photo: Kennetha Klein and Judy McNamara with a filled van, ready for blanket delivery.*

The **Council Bluffs Chapter** will be participating with the DAR WWI Centennial Commemoration on April 6th. Our reception will be held from 10:00 to 12:00 at the American Legion Memorial building in Atlantic, Cass County Iowa.

### Elizabeth Ross Chapter 120<sup>th</sup> Anniversary

Elizabeth Ross Chapter, of Ottumwa, in southeast Iowa, observed its 120<sup>th</sup> anniversary on Saturday, November 12, 2016. Twenty-one members — local and from out of state — celebrated the sixth chapter organized in Iowa in the 1890s, and now the fourth-oldest in the state. Everyone enjoyed a lovely luncheon, followed by a commemorative cake.

The chapter was delighted to host ISDAR State Vice-Regent Marsha Hucke, State Organizing Secretary Marlys Ankrum, and State Historian Marla Suter.

### SAVE THE DATE

The Iowa Department of Veterans Affairs will host the 2017 Vietnam Veterans Recognition Day Remembrance Ceremony on Friday, May 5, 2017. The ceremony will begin at 11:00 a.m. at the Vietnam Veterans Memorial located south of the Iowa State Capitol building in Des Moines.

This year's ceremony will also be recognizing a recently added name to the wall – that of James S McGough. His name was approved in 2016 to be added to the National Wall and now will be added to our Iowa wall. His family will be on hand for the dedication.

Candy Brown, Commemorative Chair for the Jean Marie Cardinell Chapter, has been asked to speak about the new 50<sup>th</sup> Commemoration Honor program. She will also recognize 15 family members in attendance with the “In Memory” certificates created by the Department of Defense. Other members of the Chapter will also be on hand to pin lapel pins on Vietnam Era Veterans.

For more background information on James S McGough, please visit [www.virtualwall.org/dm/McGoughJS01a.htm](http://www.virtualwall.org/dm/McGoughJS01a.htm)

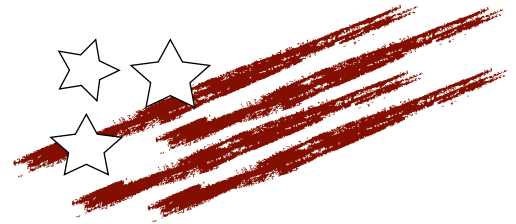

Prior chapter regent Mary Alice Sampson dressed in 1890s period costume to present a brief chapter history, while portraying the founding regent, Alice C. Mitchell. That same week, seven members had visited the grave of Mrs. Mitchell in a nearby town to rededicate her DAR marker.

Mrs. Sampson also presented a beautiful Patriot Tree, with a leaf for each patriot among the chapter-members. The tree hearkens to the Liberty Tree, an old Elm tree that stood near the Common in Boston, Massachusetts, under which patriots planned resistance activities in 1776.

Regularly, the Elizabeth Ross chapter enjoys hearing snippets from the minutes of its early meetings. The notations capture both delightful common-day moments and decisive actions in fascinating detail.

### Okoboji Youth recognized for Helping Achieve Guinness Record

I'm sure you recall the Guinness Record set by the NSDAR at Continental Congress last year. Well, I took that a step further and ordered a participation certificate for the young people in my school that helped my chapter and the NSDAR with their letter contributions.

I taught 5<sup>th</sup> and 6<sup>th</sup> grade social studies in Okoboji Community Schools prior to retirement last spring. I approached my students with this project last March and they were happy to help out even though I told them they would not know if we achieved our goal of breaking the record until this school year. Once we did, I began thinking about what I could do to celebrate their contribution with them. There is a participation certificate that one could order on-line from Guinness I discovered. So, I got on the computer and ordered one for them. It finally came in January. I called our principal and asked if we could have an assembly, and he agreed to help in that area.

On February 6<sup>th</sup>, 2017, I went to school armed with the certificate and the You Tube video that the NSDAR put together to share with the students. We gathered in the gymnasium, I told them why I was there and showed them the video, followed by the presentation of the certificate. I am attaching a picture of the group (I'm right in the middle) and the certificate.

The certificate is on display in the school office and will be placed in their trophy case in the near future. The local newspaper carried the story on the front page, the local radio station interviewed the principal and me, and the school posted it on their Facebook page. What awesome coverage for this achievement and the DAR!

— Mary Thunhorst,  
Regent

### Vietnam Veterans Honored by the Ladies of the Lake Chapter

Ladies of the Lake Chapter held a Vietnam Veteran Commemoration event in Estherville, at the Veterans of the Foreign Wars event in November in conjunction with the Veterans Day observance.

Shown in the picture are Collette Travis, of Spirit Lake, Vietnam Veteran Commemoration Coordinator for the Ladies of the Lake DAR Chapter; Mary Thunhorst, of Spirit Lake, Chapter Regent; and Bonnie Amdahl, of Estherville, Honorary Regent and wife of Gilbert Amdahl who is with the Estherville VFW organization.

The observance of placing a pin in the pinning program each Veteran and telling each veteran "Thank You!" was appreciated by the many Vietnam Veterans and presenting them with a certificate signed by Mary Thunhorst, Regent, that they can frame was well received in a very memorable evening.

The members of Ladies of the Lake Chapter thank these women for completing this project. It involved over 100 hours of preparing and presenting the awards in our Service to America projects.

### Find A Grave Virtual Cemetery

During District Tour last Fall, I had the opportunity to talk about a new Find A Grave Virtual Cemetery tool available to ISDAR members that would allow them to search for the graves of Iowa Real Daughters, Iowa Daughters (Small "r") real Daughters, and ISDAR members. I am pleased to announce that this tool is now available and populated with over 1,000 grave memorials. This tool has been almost exclusively developed through the tireless efforts of Jeanette Shannon and we all owe her a debt of gratitude for this tremendous accomplishment.

We will need all ISDAR members to help grow this Virtual Cemetery by going out into your local cemeteries, creating Find A Grave memorials for ISDAR members if they don't already exist, photographing the headstones with the DAR insignias in the pictures and then sending the Find A Grave memorial ID number to either Jeanette Shannon ([jls37das@iowatelecom.net](mailto:jls37das@iowatelecom.net)) or me ([mlsuter@iowatelecom.net](mailto:mlsuter@iowatelecom.net)) so we can get them added to the ISDAR Virtual Cemetery.

This search tool is accessible to anyone with a Find A Grave account, if you don't have one, now is the time! Here are the quick and easy instructions to access these virtual cemeteries:

- Log in to your Find A Grave account
- Click on Contributors tools
- Click on the edit button to the right of My Find a Grave Friends
- Click on Find Members
- In the Public Member Name block type "ISDAR", click on Search
- Click on "ISDAR"

## Ladies, Get Your Dues Worth Out Of Those Websites!

I would like to remind Chapter Regents and Recording Secretaries that the Organizing Secretary has quick links on the <http://www.isdar.org/members> site to forms you will need, such as to report the election of officers. Be sure to use the NSDAR website and ISDAR website for help and if you have any problem finding answers, please contact me at [mmankrum55@gmail.com](mailto:mmankrum55@gmail.com) and I will be glad to help.

Ann Turner Dillon, National President General, is concerned with helping chapters solve the problems that arise and the Chapter Leadership Development link has some very good tips on dealing with the problems small chapters face and the problems of any chapter. The Chapter Leadership Development link is listed under Organizing Secretary forms on the ISDAR members site mentioned above.

As Organizing Secretary, I am most interested in being of assistance to Chapters in any way that I can. If you would like to have an informal visit with State Regent Cindi Carter and myself to discuss some of the situations that arise, please contact Cindi at 641-259-3191 or me at 641-752-0381 and we will be happy to meet with you.

## Service to America Committee: Noteworthy Changes!!

President General Ann Dillon recently announced changes to Service to America.

The definition of 'meaningful community service' is expanded to include more DAR chapter activities: genealogy research, American History contests, Good Citizens scholarships, conservation work, veterans work, community service awards and all other DAR work. DAR work includes officers' board meetings, planning and execution of DAR programs and other DAR work within the chapter. It does NOT include travel to and from a DAR meeting or specific site or meeting attendance.

Beginning 2017 Service to America volunteer hours reported in the Chapter Master Report must equal those posted in the NSDAR Online Tally.

Members and Chapters are urged to enter service hours in the Online Tally throughout the year as service and events occur. Review the NSDAR website, NSDAR blogs (i.e. NSDAR Today's DAR Blog, February 21, 2017, "*DAR Work Now Counts Toward Service to America Hours*" by Sharla Luken, National Chair, Service to America Committee), and future newsletters for updates.

## Congratulations!!

Every Iowa Chapter reported hours through the Online Tally in 2016. Thanks so much for your SERVICE and recognizing yourselves!!!

## Lineage Research...

All our chapter members have worked hard in the area of lineage research this past year. As DAR members, we are all researchers for our family, other DAR members and prospective members' families. Now that Registrars have Image Access, many brick walls have been opened up and giving a great boom to research.

Yet, one aspect of research that has often been overlooked is that of teaching. Why, teaching isn't a Committee in DAR, you may say. Yet, we are all teachers in whatever we do. How can we do this? As a Registrar, I find that if I take the time to show a prospective member (PM) how to do something, and have them help me do it, then it helps in the long run. The PM has a more vested interest and commitment in her DAR membership. Then I get her to help me with something. She may not do it "your" way, but she has learned to research and adapt it to herself. This may or may not help in your chapter, but it is worth giving it a try.

Lineage Researcher? Teacher? You be the judge!

Lineage Research Chairman

## Ideas From the State Registrar on Including Out-of-State Members

As I write this note on February 28<sup>th</sup>, I am referencing a list of those Iowa Daughters whose membership dues remain unpaid as of this date. It is my sad duty to report that 62 Iowa Daughters have delinquent memberships, and of those members, 31, or 50% of the delinquent members live out of state. It is certainly difficult to keep our out of state members engaged in DAR work, and it is possible that these members felt out of touch with the efforts of our Chapters in promoting historical preservation, education and patriotism. The question arises as to how Iowa Chapters can include their out of state members in various activities. The below list is just a few ideas on keeping your out of state membership strong and supporting DAR activities:

Out of state members can support the DAR Schools through the collection of BoxTops for Education and My Coke Rewards Points; shop at Publix and eat at Red Robin Restaurants, both of which provide support to some of our DAR Schools; use Amazon Smile to make purchases which provide a small donation to a specified school; collect Tyson Project A+ logos to support classroom projects and provide other supplies.

- Encourage these members to report their volunteer hours through the NSDAR Service to America Tally.
- These members can clip and collect used (cancelled) postage stamps to send to the Veterans Coin and Stamp Collecting Club.
- Clip and collect coupons for troops.
- An out of state member can chair a committee for your Chapter, or provide Constitution Minutes and National Defense reports for each meeting.
- Members can participate in Chapter meetings through various remote productivity software such as GoToMeeting or Skype.

It is our duty as fellow Chapter members to maintain contact with our out of state members. Why not designate a new member of your Chapter's membership team to send a note to out of state chapter members on a monthly basis? Engaging these members can be another key to your Chapter's success!

—Jodi Freet  
ISDAR State Registrar

## *The Iowa Room: Our corner in Washington, D.C.*

Over the Iowa Room fireplace an elegant man and woman gaze at one another. Their pleasant countenances reflect status, comfort and complacency. Research suggests this to be an accurate assumption. They are drawn on pale pink paper in charcoal with eglomise, frames not original. Although not authenticated, these are in the style of Thomas Blugot de Valedenuit. Directly underneath the pair, in a small oval frame, hangs a watercolor and pastel portrait of the gentleman in his younger years dated 1795 and in its original frame. All were purchased through the Iowa Room Fund in 1970, the year Iowa was awarded the National DAR Museum Award as the society accomplishing the most for the museum.

But ladies first ... Elizabeth Williams Little (c. 1763-1840) was the daughter of George and Lydia Pickering Williams of Salem, MA. Her father was a very well-known Salem businessman. She was the niece of Col. Timothy Pickering, who served in the American Revolution and was the third United States Secretary of State, serving rather contentiously under George Washington and John Adams. On April 17, 1799, Elizabeth became the bride of Dr. Moses Little (1766-1811), the gentleman facing her above the fireplace. Moses was the son of Richard and Jane Noyes Little of Newbury, MA. He attended Harvard, where he befriended John Quincy Adams, also a student there. After graduating in 1787, Moses studied medicine with Dr. Jonathan Swett of Newburyport, MA. Settling in Salem, he enjoyed a successful practice. Little succumbed to pulmonary tuberculosis, as did other family members. The Peabody Essex Museum in Salem, MA archive contains the extensive collection of Little Family Papers, 1691-1883.

## *Thank you...*

On behalf of my siblings and their spouses, my niece and other family members, a heartfelt thanks goes out to all the Iowa Daughters who took a moment to share in our family's grief. My beloved Mother, Barbara Freet, was a dynamic woman and the literal force behind my DAR membership (she wasn't eligible to join, but knew that I was). My siblings and I were simply stunned by the support from the Iowa Daughters through their cards, messages, phone calls, texts and visits. Thank you so much for your love during this difficult time.
