

## Service to America Committee

The DAR Salute to Service collaborative effort began in 2021. Chapters are encouraged to recognize community members. They may present a Salute Pin (health care, fire fighter, police & military) with a “Snap-A-Salute”.

Pins are \$15.00 each and can be purchased from the DAR Store, New Products category. **Recognize those who are doing so much for us!**

### RISE, SHINE and SALUTE!

#### 2021 Chapter Achievement Awards and Chapter Master Report

A chapter receives Achievement Award points if it participated in a community project on or near the National DAR Day of Service (October 11). Additional points are earned when the chapter participates in Service to America activities, program, and / or has a one-minute report regarding the Committee. The information does not auto-fill; be sure to enter.

Review the chapter activities when preparing both reports for NSDAR and ISDAR. Acknowledge appropriate points to receive the National and State recognition due.

#### SERVICE TO AMERICA PIN

**Available now**----- A left shoulder pin for everyone who has recorded service hours online.

At the bottom of the NSDAR Service to Committee webpage is a link to a webinar conducted by Mary Tedesco, NSDAR Service to America Chair, in January 2021. The webinar begins as an overview of the Committee and progresses to pin and Facebook information. Everyone can listen and view at your convenience. The webinar is about 40 minutes.

The Iowa Service to America committee is **proud of the creative and productive service projects conducted in 2020. You should continue your diligent recording of your volunteer hours through 2021.**

## RECORD! RECORD! RECORD!
